

## Questions to Ask During Treatment

- Can I drive myself to and from the treatment facility? Where should I park?
- What side effects may occur from the radiation treatment and how are they managed?
- Do I need a special diet during or after my treatment?
- Will I be able to continue my normal activities?
- Can I smoke or drink alcohol?
- Is it safe to take vitamins or other supplements during treatment?
- How can I expect to feel during treatment and in the weeks following radiation therapy?
